

**Masking indoors is currently OPTIONAL!**

You can now feel free to come to the salon masked or showing us your smiling face. Should you feel more comfortable with your stylist wearing a mask, please ask.

**Help us help the Ukrainian people**

This month, in the salon, we are donating 10% of all retail sales to help support Ukrainian humanitarian relief efforts. If you are in need of some hair products or hair tools, please come by to purchase and aid in our

donation efforts.

One of our retail partners, Monat, has also donated on our behalf to the Polish Humanitarian Action organization, is sending self care packages to refugee families and have launched a campaign where you can participate.

If you would like to help click the link below and read more about our effort.

When you feel hopeless the best thing to do is to take action and your action will definitely help someone in need.

On behalf of our Market Partners in Poland and Lithuania, thank you ♥
