Men's hair trends for 2022

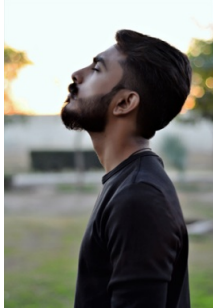

High Fade with Textured Top

-adds more volume to fine hair

-natural rugged look

-use texture spray to achieve more movement

A high fade with textured top is perfect to add more movement to fine hair. Allows for some movement on top while keeping sides short and crisp. Use a texture spray to best achieve this look.

Temple Fade

-fade above ear and around temples

-no fade around back or sides

-best to keep some length on top for slick back look

This look features a fade around the ears up to your temples, while keeping it one length on the sides and back of your head. This look pairs best keeping some length on top to create a slick back look.

Longer Layered Cut

-medium length hair

-low maintenance look

-perfect for men with natural waves

A long layered cut is perfect for the low maintenance man who wants a stylish look. Best if you have medium length wavy hair to tuck behind your ears.

April Showers bring...FRIZZY HAIR!!!
