Introducing our new SCALP PURIFYING TREATMENT  
 A rejuvenating scalp experience that leaves hair looking and feeling refreshed.  
 Why It Works: Our shampoo and scalp scrub products (formulated with apple cider vinegar, AHAs, sugar, and purifying pink clay) deeply cleanse, remove dirt/oil/product build up, reduce excess oil, and neutralize the effects of environmental pollutants while helping to rebalance and moisturize the scalp.

**BENEFITS**

- Exfoliates the surface of the scalp and hair
- Dissolves sebum and stubborn product buildup
  - Cleanses and purifies

*Enjoy this amazing treatment and a blowdry for \$87*

You may have heard that a certain popular eye lash serum (Ahem, EyEnvy) has been re-called due to the brand withholding ingredient information from Health Canada. If you are wanting long lashes and full brows, we have a *naturally based* and vegan

alternative that you can trust and it really works.  
Eye Wonder Lash and Brow Serum is now in stock and perfect for growing your lashes in the Summer months so you don't need lash extensions or mascara (neither of which fair well in the pool, salt water or sand).
