More new products/Stocking Stuffer ideas!

We've added some more awesome stocking stuffers to our inventory. Made by a fellow stylist in Alberta and by popular demand, we now have shampoo and conditioner bars in the shop. These all natural, essential oil scented and no waste alternatives to plastic and metal bottles are an environmentalist (and travelers) dream come true!

Do you have a little one in your life? We got our hands on some Canadian made, natural, chemical free nail polishes in all sorts of pretty pastel colours!

Need a new toque? We LOVE our new hand knit (Coquitlam artisan) beanies with fuzzy pom poms in all various colours and styles.

We also now have GLAM WRAPS, the CUTEST hair accessory around! Ask one of the gals in the salon to show you how to wear one!

Come do some holiday shopping at JOY! ALL of our products are carefully curated by Tara and Savannah to support local, socially and environmentally conscious manufacturers and artisans.

Rest In Peace Ralf, The Soupmeister

All of us at JOY are feeling a great loss as we recently heard of the passing of our incredible neighbour and respected fellow business owner. Thank You Ralf for warming our souls and filling our bellies between clients for all these years.

**We still have a few AG products and with retired packaging at 20% off!
Need some naturally derived, vegan sunscreen? That's 20% off too!
(while supplies last)**

The Quay is currently re-surfacing the parking lot under the building. While this is being done in stages and there is still parking available, space is limited.

- The new building across the street from the Quay has underground public parking
- Chadwick Court (on the other side of the bus depot) parking lot
- The Pinnacle Hotel parking lot
- The Shipyards underground parking

Did you know we have an online shop?

That's right! You can have your favourite hair products sent from the salon right to your door!
