~Celebrating 10 Years of JOY~

**NEW MERCH!**

Our Fall/Winter merchandise is now arriving! Come check out our awesome jewelry, organic make up, hair accessories, fun candles, Sherpa jackets, shackets, MOM wear and more!

We also have new brushes, hot tools, heatless curlers and satin pillowcases.

All of our merch is specially selected with our clients, the planet and philanthropy in mind!

Did you know we only partner with manufacturers who are socially, environmentally and globally conscious? We also try to purchase from as many CANADIAN and woman owned businesses as possible.

One of our new suppliers of beautiful jewelry, Royce and Oak, is a female founded, Canadian brand who has started a scholarship fund to support women in education. They have now awarded 3 scholarships to female identifying recipients! When you buy from JOY you can feel good about it.

Jelena and Chelsea will be attending an advanced colouring class this month. We are proud to have a team who is constantly striving to be the best they can be in the industry!

The Importance of Good Hair Products

It breaks our hearts when we see clients spend big \$\$\$ on their hair colour just to wash it down the drain. Professional (sold in salons) hair products are vital to maintaining your soft blondes, deep browns and vibrant reds. Drugstore and supermarket shampoos are mostly water based – 60% water to be exact – while salon products have 40% water content or less. Some of our products (LOMA) are based with primarily aloe vera which is more healing and hydrating for your hair.
