~Celebrating 10 Years of JOY~

Want longer and/or thicker hair?

If your answer is YES (even for only special occasions), now is the time to try our non damaging sewn in weft extensions. Sew-in weft extensions are a type of hair extension that involves attaching wefts of hair to your natural hair using a specialized needle and thread.

The process begins by installing a row of beads that lay flat against your scalp. The extension wefts are sewn into the beads and are virtually invisible!

Our extension hair is ethically sourced and is REMY hair (meaning the hair is collected straight from the donor and not gathered from the floor or brushes etc). Remy hair is the gold standard of extensions.

Believe it or not, you can control frizz and unruly kinks and curls without having to spend an hour blow drying your hair!

The Facts

1. Keratin makes up approximately 80% of human hair.
2. Our body's ability to produce keratin decreases with age.
3. Lower keratin levels lead to increased porosity, making it harder to maintain healthy hair.
4. Chemical treatments, heat, and UV rays can further deplete keratin and increase porosity.

Keratin Replenishment is necessary to achieve long-lasting color, improved
