

## Change is in the...Hair!

### BIG NEWS!

Tara is retiring! Well not really *retiring* but hanging up her shears. Rest assured, you will still be seeing her around the salon working on the business and with the team. Friday March 14th will be Tara's last day behind the chair. We know changing your hairdresser can be very traumatic but please don't worry as we do have team members

who have been trained by Tara (and now far exceed her abilities) in everything from extensions and keratin treatments to colouring and cutting techniques, so you can feel confident in the stylist she chooses as the perfect match for you.

"The past 30 years behind the chair have been amazing, my career has certainly been one to envy. From attending amazing fancy hairdressing events to working at hair shows, having the opportunity to teach many aspiring stylists the trade and meeting so many incredible people who have trusted me with their hair (and deepest secrets)! Now, in the later stages of my career, I am really blessed to be able to focus on what I've found I'm now loving the most, which is mentoring others and all that encompasses the *business* behind the chair!"

Please reach out to Tara directly to have her set you up with your new stylist at JOY! If you'd like to [book an appointment](#) with her on or before March 14, please do so ASAP! Your continued support of our "labour of love" is so appreciated.

YES! We do have a treatment that can make your hair look like this! Eliminate frizz and add tons of shine! Our [Keratherapy](#) keratin treatment makes your hair feel like silk! We want you to LOVE your

hair so, in February, we are offering \$50 OFF Keratin Treatments with Jelena and Chelsea.
