SUMMER HAIR CARE

We are back to needing to care for our colours and hair/scalp health with heat protection and hydration during these warm and sunny summer months.

Enjoy 20% OFF Surface Hair Care Products in July!

Here are some interesting ingredients, found in our SURFACE Hair care products, that can help your hair remain healthy and manageable this summer!

Amaranth Protein

Surface sources gluten free Amaranth vegan protein from organic farms in Peru. Amaranth offers nine Essential Amino Acids that act to prevent hair from becoming dry & dull.

Babassu Oil

Organic Babassu oil is a non-drying penetrating oil that is considered a superior emollient beneficial for either dry or oily skin and hair. It gently moisturizes.

Essential Micro Minerals

Natural ferments of Silica, Magnesium, Copper, Iron & Zinc keep the scalp, follicle and hair healthy inside & out.

Hemp Seed Oil

Rich in Omega 6 fatty acid for long-lasting moisture that withstands high temperature, providing long-term free radical protection and the perfect ratio of Omegas 3, 6, and 9.

Cocoa Butter

With sugar proteins and soothing lipids Cocoa Butter enhances the elasticity of curls for less breakage and soothes frizz.

Sugars, mushroom fibers and vegan starch provide styling products with resilient humidity resistant hold.

Need an Extra Hand? Meet Ruth, Your New Personal Concierge!

Introducing Get It Done Services – your trusted partner for making life easier. From home organization and light housekeeping to move management, in-home pet sitting, and vacation home watch, I do it all — so you don't have to. Whether it's supporting seniors, running errands, or offering companionship, my versatile concierge services are designed to help you reclaim your time and peace of mind.

Let me handle the "to-do list" so you can focus on what matters most. No request will be ignored. If I can do it....I get it done.

Join us for a POP UP!

What if your next hair colour could instantly lift your look, brighten your features, and boost your confidence — just by choosing the right tone?

Come see Naomi from Persona in Palette at Joy on July 26th from NOON to 4 PM for a Mini Pop-Up Colour Analysis Session — a bite-sized version of her signature service!

THIS EXPERIENCE IS FREE!

In just 20 minutes, she will:

- Analyze your undertone (warm, cool, or neutral)
- Identify your depth (light or dark)
- ♀ Recommend hair colours that naturally enhance your complexion

Colour analysis is a science-backed system using colour theory — hue, value, and chroma — to find the exact tones that make your natural beauty pop. Think fewer regrets, more compliments, and confidence in every mirror.

If you've ever left the salon not quite loving your new hair colour, if you are thinking about a change or embracing your grey — this is for you!

Walk-ins welcome, or book ahead to save your spot.

Arrive with no makeup, coloured contacts or spray tans.
