We are looking for models!

Do you want a new or fresh balayage? We need some models for classes/practice (supervised). You will get 50% OFF the balayage service!
Please **email** Tara for more info!

Are you finding old products in your bathroom while Spring cleaning? Did you know that products (especially salon products with natural oils and less chemical preservatives) expire? If you look on the bottles of most cosmetic products, they have a little symbol of an open container with a number inside (which represents the number of months after opening that the product is fresh and will remain active). Products that are more naturally based lose their strength and go rancid!
But have no fear! If you need some new products, we are offering
20% off all products in March
